Dear Honorable Mayor and City Commission:

On September 12<sup>th</sup>, the Transportation, Parking & Bicycle-Pedestrian Facilities Committee (TPBPFC) met and unanimously passed the below motions:

## **Removal of Bump-outs in Parking Lane**

The TPBPFC recommends the removal of bump-outs at the 100 blocks west of Ocean Drive and any similar bump-outs citywide.

## **Lighting Code Discussion**

The TPBPFC requests that the City address stray lighting that shines on public-right-of-way citywide, particularly due to how such lighting impacts flying insects and pests; City to get information out via the City's Communications Department

As an advisory Committee, we would greatly appreciate your consideration on these motions.

Sincerely,

Transportation, Parking & Bicycle-Pedestrian Facilities Committee
